Dear Max:

Thank you for your letter of May 6 and the enclosed correspondence concerning Robert A. Boewe, Assistant Scoutmaster of Troop 596. We have taken steps to have his name deleted from our records and have placed this information in our file.

Enclosed is a confidential record sheet which we would appreciate your filling out and returning to us as soon as possible, together with some documentation such as a written note from one of the boys involved or from one of his parents. Mr John Egan, District Executive
E-Du-Ska District
Quivira Council, Boy Scouts of America

Dear John:

It is requested that SA Robert Boewe be separated from the Boy Scouts of America.

Attached is the letter which was sent to us anonymously.

. As a result of this, we contacted three other adult leaders in the troop, who were not aware of the situation. We have talked to several boy leaders, who claim it is common knowledge among the boys in the troop. We have talked with two boys who were actually approached, and have names of more.

Boewe has been informed that, from the standpoint of Troop 596, he is no longer a leader.

Sincerely yours,

CHAIRMAN, Troop 596

Parents

The Quivira Council has launched a vigorous campaign to bring more boys into Scouting. United Fund is in complete agreement with this activity, however, has asked that individual support be solicited for this purpose.

The enclosed brochure FOR PETE'S SAKE will convey the message plus answering many questions concerning this effort. Please read this message in its entirety.

Sustaining Membership Enrollment has been selected as the most probable method of acquiring this extra support.

Please study this need, fill out the enclosed pledge and return the complete card in the enclosed envelope. The stub will be returned for your record. Please note that the total amount you pledge can be paid in installments as you prefer. As a donation, this amount will be tax deductible.

"HAPPINESS IS BEING ONE OF THE GANG" let's be sure it's the right gang.

Troop 596 is a proud troop. We want to be in there with our share.

If you are so proud of your trap, how come
you allow homosexual men to be leaders. I'm
referring to Bob Baywer! He takes innocent little
boys into his tent or camp and does "things" to
them. And then he approaches older boys and asks
if they want him to "do things" to them. But alone
the fact that he is taking individual boys out for
weekends alone for his own "deviate" purposes.
When you are allowing someone like that to hoodwink
everybody and brag to his friends how he's got
his own little group to play with, how can you be proud?
Clean up your trap and then ask for support!
You are a disgrace to Scouting & the Methodist
Church!

Mr. Robert A. Boawe
1920 Fabrique
Wichita, Ks 67218

Mr. Boawe:

This is to inform you that you are no longer a leader in Troop 596. As Troop Committee Chairman, I am responsible for the leadership of the Troop. I signed your registration in February, but the situation has changed, and I no longer approve of your participation in any troop activities.

Please turn in your keys and any other materials you may have that belong to the Troop. If you have any bills due you, you will be reimbursed promptly. Take care of this during the week; it would be better if you did not come to any more meetings.

You were to have been informed personally this night, but were not here to do so. We took the liberty of "re-signing" for you; as far as anyone is concerned, your work situation does not permit you to take part.

Now, you will not take part in any more Scouting activities. You will not contact any of the Scouts in the Troop. We do not mean to infringe on any of your relationships with families of boys in the troop, but you will cease seeing boys at or between meetings.

I realize this is drastic action but the situation seems to warrant it. If you feel that you deserve an explanation I will be glad to discuss it with you but due to the circumstances I feel that I have to take this action.
